SINGLES. Britney does it yet again, debuting at #1 and knocking Frankee down one spot. Not many changes at the top apart from Popstars Live winner, **Kayne Taylor**, exploding in at #8 and the **Black Eyed Peas** getting' it started at #10. A huge week for new entries with 13 in total making it into the Top 100.

No.1 EVERYTIME – Britney Spears. Wow, what a feat, this is Britney's 3rd single release off her *In The Zone* album (#10 Nov '03) which has now produced three debut #1's. She is definitely in the zone right now. Rumour has it, **Britney** is set to marry again, apparently to one of her back up dancers. I wonder if this amalgamation will last longer than her last marriage of 52 hours!

No.8 HEARTBREAKER – Kayne Taylor. **Kayne Taylor**, the Popstars Live winner, auditioned for the show as a dare. Well, lucky he did because the Aussie Post worker from Melbourne has hit the big time. As is the case for so many "newcomers" to the music business, it has been a long journey to get where he is now, playing gigs here and there for the past ten years.

No.10 LET'S GET IT STARTED – Black Eyed Peas. This is the 4th single to be released off their triple platinum album *Elephunk* (#2 Feb '04). All four singles have debuted in the top 10 and both *Shut Up* and *Where Is The Love?* went on to top our charts. The **Black Eyed Peas** member **Will.I.Am** has recently launched his own clothing label in America named I Am... how appropriate!

No.23 BREAKING THE HABIT – Linkin Park. This track is lifted off the triple platinum album *Meteora* (#2 Mar '03) which has now been in the Top100 for 64 weeks. *Breaking The Habit* is the 5th single release off their latest album and all 5 have debuted in the top 40. Good work lads!

No.24 ALL NITE (DON'T STOP) – Janet Jackson. This lady really needs no introduction with well over a million records sold and handful of number one singles and albums. This is the 2nd single release from her *Damita Jo* album (#18 Apr '04). Did you know **Janet** and brother **Michael** hold a spot in the Guinness Book Of World Records for the most expensive music video? *Scream* (#2 Jun '95) reportedly cost \$7 million to make.

No.30 FKEN AWESOME – Spiderbait.** After the runaway success of their remake of **Ram Jam's Black Betty** (#1 May '04), **Spiderbait** struggle with their follow up single. With **Janet English** on vocals this time around *F**ken Awesome* is the second single off *Tonight Alright* (#14 Apr '04).

No.35 DOWN – Blink 182. Punk rockers by trade, shop owners on the side. Yep, that's right; **Travis Barker**, 1/3 of the Blinksters, runs his own chain of stores called Famous Star and Straps selling all kinds of apparel. The trio had to unfortunately cancel the last leg of their Australian tour due to an injury **Travis** received while skate boarding. *Down* is the 3rd single taken off their self titled album, which has been certified platinum (#7 Nov '03).

No.56 BAIL ME OUT – Pete Murray. Pete has enjoyed the sweet smell of success with his album *Feeler* (#1 Mar '04) which has sold over 280,000 records here in Australia. He is also doing very well in New Zealand peaking at #21 and shipping Gold. *So Beautiful* is his highest debut and charting single, coming in at #19 and peaking at #9. He has recently been on tour around Australia receiving rave reviews from all that had the pleasure to see him.

No.61 OCEAN AVENUE – Yellowcard. This is the Florida based punk quintet's debut on the ARIA singles chart. They aren't your typical young punk band, for one thing, they feature a classically-trained violinist in their ranks. Band members are **Ryan Key**, 23 (vocals, guitars); **Sean Mackin**, 24 (violin, vocals); **Ben Harper**, 22 (guitar); **Longineu Parsons**, 23 (drums); and **Alex Lewis**, 25. Their album, also called *Ocean Avenue*, unfortunately has yet to enter the Top 100 albums chart.

No.68 SENDER – Sender. Said to be one of Australia's hottest up and coming bands, **Sender** make their debut on the ARIA Charts. The 4 piece rock act from Bendigo in Victoria features the exceptional talent of frontman / guitarist / songwriter, **Bohdan Dower**. The band has been described as being somewhere between **Muse**, **silverchair** and **Incubus**.

No.78 SINGLE – Natasha Bedingfield. Do You remember **Daniel Bedingfield** of *Gotta Get Thru This* (#10 Mar '02) fame? Well, this is his little sister debuting on our charts this week with an anthem for all the single women out there. Apparently **Natasha** is such a messy writer that she pens all of her songs on an iBook that her brother bought her.

No.93 CLOSET THING TO CRAZY – Katie Melua. Another newcomer this week, 19 year old **Katie Melua** has already created a storm world-wide, topping the UK charts and reaching the top 10 in Europe with her debut album *Call Off The Search*. Having debuted last week at #31, the album earns a bullet this week jumping to #15.

No.98 GLOW – Alien Ant Farm. After just a little over a year hiatus from our charts, **Alien Ant Farm** scrape into the top 100 this week. You would remember this mob from their hugely successful *Smooth Criminal* which stayed at the top spot for 7 consecutive weeks at the back end of 2001.

ALBUMS – Kasey Chambers continues to lord it over everyone else, with compatriots **Pete Murray** and **Jet** offering support in positions 2 & 3, respectively. The **Shrek 2** soundtrack leaps thirteen places to #9 and **The John Butler Trio** comes back up four places to #5.

No.66 RAW AS FK – Freestylers.** UK's **Freestylers** took their name from their first sample, **Freestyle's Don't Stop The Rock**. Their previous chart success in Australia is limited to the single *Told You So* which scraped in at #100 (July '02). *Raw As F**k* is their 3rd album and features the single *Push Up*, which has occupied the #16 spot on the singles chart for the past 3 weeks.

No.70 SPIDERMAN 2: MUSIC FROM AND INSPIRED BY – Soundtrack. It's almost two years ago exactly that the first **Spiderman** soundtrack peaked at #12. The latest soundtrack includes tracks from **Dashboard Confessional**, **Hoobastank**, **Yellowcard** (who have a single debuting at #61 this week) as well as our very own **Jet** and, for the Australia/NZ release, **Killing Heidi**. The review of the album on the All Music Guide website (www.allmusic.com) singles **Jet** out, with their track *Hold On*, as one of only two acts who portray the film's protagonist in a lighter, more whimsical light, with their 'memorable melodies' and 'genuine emotion'.

No.72 LETS DANCE – Nikki Webster. Seventeen year old **Nikki Webster** releases her 3rd album, *Lets Dance*. Nikki, who everyone would remember from the 2004 Olympic Games opening, has had seven Top 50 singles, with *Strawberry Kisses* peaking at #2 (June/July '02), and her two previous albums, *Follow Your Heart* and *Bliss* peaking at #5 (Sept. '01) and #16 (Nov. '02), respectively.

No.96 ONE + ONE = ONE – Badly Drawn Boy. **Damon Gough**, as he's known to his mum, is the lo-fi folkist, **Badly Drawn Boy**. He counts among his fans celebrities such as Meg Ryan, Harvey Keitel and author Nick Hornby. The author of *About A Boy* was impressed enough to enlist Gough to compose the soundtrack to the 2002 film of the same name. *One + One = One* is his 4th album but the first to chart in Australia.
